ACUTE STABILIZATION & ASSESSMENT PROGRAM IN LOS ANGELES, CA

The Acute Stabilization and Assessment Program at Ascend Healthcare is an innovative approach to comprehensive care. This 30-day, intensive program gives clients and their families the opportunity for thorough assessment in a nurturing environment vs. a typical sterile hospital setting. Ascend's full range of experiential therapies bring about change and start a positive momentum toward the treatment process. This is the best opportunity for California families to stay in-state for in-person therapy sessions and family programming.

Ascend Healthcare is a warm, holistic, 6-bed treatment center offering 24/7 care, including:

- Art therapy
- Music Therapy
- Surf therapy
- Equine Therapy
- Drama Therapy
- Trauma treatments
- And more...

Ascend Healthcare
family. passion. empowerment.
